PREFACE

_Songs In His Presence_ is a group of composers within International Liturgy Publications (ILP) who share spiritual and musical roots in a renewal of faith and worship in our age. This Psalter is a bestowal of God’s bounty to us, shared blessings of faith, love, worship and community. The Holy Spirit continually refreshes the Church as she seeks Him throughout time. So it is our hope that many will be drawn more deeply into the love of God through these sung prayers of Scripture, the Psalms.

The practical use of these settings will be as the Responsorial Psalms for the Liturgy of the Roman Catholic Mass. Yet all who desire the Word of God to penetrate hearts will find these edifying, inviting many uses in other celebrations of worship and faith. We have maintained the original translations of the New American Bible, as disseminated in the _Lectionary for Mass_ into a 3-year cycle of Sundays, Feasts and Solemnities. The order of appearance in each volume is mainly according to each psalm’s liturgical use. The _Psalms In His Presence_ collection is available in separate volumes for each year of the cycle (A, B, and C), and a fourth volume for the many Feasts and Solemnities not specified to a designated cycle year. Accompaniment and Vocal/Guitar editions are available. Other editions such as recordings, choral octavos and instrumental parts are available as listed by the publisher, ILP.

Note: The _Feasts and Solemnities_ volume includes all four Responsorial Psalms of the prolonged celebration of Mass at the Vigil of Pentecost. (Notitiae, 259, 156-159)

The Psalms are the ageless sung prayers of Sacred Scripture, the shared prayer of the Judeo-Christian faith. They express our hearts to God, our sorrows, our calling “deep unto deep,” yet with hope, faith, gratitude, and love. The community will participate in the psalm most effectively and memorably when led by Psalmists who sing not only with skill and beauty, but who accept their role, at all times, as humble messengers of the love and faith behind these divinely-inspired words. We pray that our part as composers, arrangers, and publisher assists others in reception of God’s bountiful grace.

Jane Terwilliger and the composers of _Songs In His Presence_

_Since its inception in 2004, Songs In His Presence has made an enormous contribution to the musical worship of the Church, helping us to pray more fervently as the mystical Body of Christ. “Psalms In His Presence” is an extraordinary work. We are honored to present this collection of psalm settings for your use. May the Word that lives within this eloquent music carry us ever more deeply into the enduring presence of God._
